King Great Room

Private balconies provide our visitors a breath of fresh Tahoe air.

M O O N

Inn by the Lake, Tahoe's Boutique Resort, offers a change of view in more ways than one. Whether enjoying the beautiful grounds of this six-acre retreat or the glimmering blue waters of Lake Tahoe, the choices are seemingly endless.

Mornings at Inn by the Lake are most often greeted with rays of sunlight streaming through towering one hundred-year-old pine trees. Gazing out at the majestic peaks of the Sierra Nevada or the many other ever-changing panoramas, visitors are quickly drawn to the allure of the resort.

Under a canopy of stars, evenings can be enjoyed in our bi-level spa.

S b r i g h t

Lakeview Room, Event! Center

To meet your exercise needs, our new lakeview fitness room features state-of-the-art workout equipment.

Double Queen

S b K u e Y

Beautifully landscaped grounds and pool area which includes our year 'round heated bi-level outdoor spa. And...a relaxing redwood dry sauna.

S N O W

Deluxe Spa Suite

Business meetings, special events or weddings are masterfully accommodated in our new Event! Center.

FREE wireless high speed Internet access is available throughout the property.

In addition to spectacular views, our accommodations have the special touches that make for a memorable visit. Every room has its own individual private balcony, and conveniences include mini refrigerators and microwaves. No matter what size, from cozy Queens, spacious King Great Rooms to Deluxe Spa Suites with fully equipped kitchens, there's a perfect space to suit your needs.

Our fitness room has all the equipment needed for a thorough exercise session. And for outdoor activities, we make it easy to experience the Tahoe lifestyle. Inn by the Lake is conveniently located near Heavenly Ski Resort and other prime winter recreation areas. We also have ski lockers and snow shoe rentals. During the summer, bike rentals are available, and of course, the beach is just across the road. Jet skis, paddleboats, windsurfing, swimming, and miles of hiking and biking trails are just minutes away.

If you need to take care of business, hold a special event or wedding, the new Event! Center features over two thousand square feet of space. There is also an on-site business center complete with phone, fax, copier, high-speed Internet and wireless access. Exceptional full-service catering is ready to accommodate any function.

The scenery continues to change throughout the day, progressing towards a breathtaking sunset. Exciting nightlife and dining can be enjoyed at adjacent restaurants and nearby casinos. Or for relaxing under the stars, there is our year 'round heated bi-level outdoor spa.

With Inn by the Lake's prime location offering a variety of views and things to do, it's no wonder our visitors see things a little differently and leave the resort with a new perspective.
