

Welcome to

Inn By The Lake

You're going to love it here. South Lake Tahoe is a great place for people and dogs!

Just so you know...

The pet fee of \$20 a night, plus tax, can also include a comfy bed for your pet to sleep on with a bowl for water and a special treat. Let us know if you would like these doggie amenities.

There is a special area for some stretching and relief with "doggie bags" to clean up after your pet. Our staff can direct you to this area.

We also require that you do not leave your pet unattended in your guest room. We can refer you to local pet spas or kennel should you wish to put up your family friend for a few hours.

Outside your room, please keep your pet on a leash at all times. The swimming pool & bi-level spa fenced in area are off limits to pets at all times.

Thank you and enjoy your stay!
